

How To Write Reviews Properly?

To Review an app/Website follow the below guidelines.

Step1:

Create a new account.

Step2:

Use this newly created Gmail ID to review 2-3 apps/websites per day. If you tempt to provide review more than 3 apps/websites, then you will be under an observation. It is recommended not to give review using the same smart phone/device and with same Gmail ID.

Step3:

Make sure that your Gmail ID is connected to Google + profile.

So, How To Write A Review Properly?

For Apps Only:

So, how to write a review properly? You need to install the app first, try to use the app for some time. Make sure you haven't deleted the app, then you are able to write the perfect app review.

If you follow the above process, then your app/website review will never be deleted.
